Laurent

AT CAFÉ ROYAL
GRILL & SUSHI BAR

Our wine list is inspired not only by the rich history of wine at Café Royal but also by the modern aspects of the hotel and our artistry. The list has a particular emphasis on the 'regal regions' of France, paying tribute to our heritage; whilst the forward thinking style of Hotel Café Royal is reflected by references from both the new world as well as emerging producers and regions. Furthermore our selection is accented by artisanal, smaller production wines that echo our ethos of discerning individuality. Each wine is selected to tell a story, not only of its origins but also its varietal typicity.

Our sommeliers are delighted to make recommendations based on your tastes, to pair with your food choices or simply to help you to discover something new.
